## **Internship Letter**

Dear Sundar,

This is in reference to your application, the college recommendation and the subsequent discussion and interview you have had with us.

We are pleased to inform you that you have been selected as an Intern on Machine Learning. You will be on Internship for a period of Six months from your date of joining, which should not be later than 1st January 2024. Accordingly, your internship will automatically stand concluded and ended on 31st May 2024.

Please note that this is an investment by the company on building your skills. During your Internship you shall be trained by our senior people and other members of the team and you shall not be paid any stipend during this period. You will not be entitled to any benefits of the company.

You shall use your own Laptop / Computer during the period of your internship. The Company shall guide you for appropriate software framework / program / tools etc. to work on, learn and enhance your skills.

You shall be working from home till such time the fresh guidelines during the current Pandemic of COVID 19 are issued to start work from office in Bangalore located at Tarah Technologies, DHI innovation center, Bannerghatta Road, Bangalore - 560076. On your joining you shall be put with Meghana/Shiva/Vachispati/Sumit as your guide and mentor.

During your period of Internship you will be punctual and will apply yourself diligently to all assignments given to you. It will be expected that you put in at least eight hours of effort in leaning and completing the tasks that may be assigned to you from time to time. You will be expected to exhibit discipline of high order and utilise this opportunity to the best of your capability.
